

2025 Law Enforcement Recognition: Nominate Today!

Mothers Against Drunk Driving (MADD) believes in the importance of acknowledging the hard work that Law Enforcement Officers do across Wisconsin in preventing crashes by patrolling and taking impaired drivers off our roads. In August at the Governor's Traffic Safety Conference, MADD will be recognizing the officers who have led the fight against drunk/drugged driving and underage drinking and drug use within the community.

We kindly ask that you consider submitting the names of someone on your team or in your community that you feel are deserving of the 2025 MADD Award for 2024 contributions. Their contribution could be in the areas of: **enforcement of alcohol/drugged driving laws, related education, community involvement, training, volunteering/fundraising with MADD and/or the prevention of underage substance use.**

Award Categories include:
